Technical characteristics

The G21 floor lamp is the perfect source of targeted, intimate mood lighting. This model, designed in 1951 by Pierre Guariche, is composed of a metal shade which shields the eyes from the light source whilst directing the flow of light. The stem in lacquered brushed brass is directional, with a sliding peg which enables one to adjust its height for greater comfort. Floor lamp equipped with a painted aluminium reflector (white exterior and interior), a painted steel base and a satin varnished brushed brass structure. Inline dimmer. Supplied with 1 x 10 W - E27 standard mat LED filament bulb - 2700 K - 1470 Lumens. Equipped with a 2.5 m cable and europlug – class 2 – supply 220-240V 50/60Hz.
