

MIRROR BISCUIT

Designer

Michael Koenig

Description

Amalgamation of mirrors of various dimensions to create one large and highly original mirror which would not look out of place in a hallway, above a contemporary fireplace, or even in a bathroom. Superimposition of mirrors glued to a panel of black lacquered MDF, the rear of which is equipped with a fixing system which enables the mirror to be hung either vertically or horizontally. The above-indicated dimensions relate to the mirror in horizontal position.

Technical characteristics

Amalgamation of mirrors of various dimensions to create one large and highly original mirror which would not look out of place in a hallway, above a contemporary fireplace, or even in a bathroom. Superimposition of mirrors glued to a panel of black lacquered MDF, the rear of which is equipped with a fixing system which enables the mirror to be hung either vertically or horizontally. The above-indicated dimensions relate to the mirror in horizontal position.
