Junpei & Iori Tamaki

Technical characteristics

Making a play with the chaotic appearance of the steel structure of its base, the Yuragi table is at once simple and complex. Designed for indoor use, it is available with a top in verde Indian marble, marron Emperador marble or black Marquina marble. A modern, attractive design. The top is machined to obtain the border around the edge. Low table comprising a top (thickness 25 mm) in brilliant-polished marble and a satin black lacquered steel base with black semi-spherical gliders.
