

LARGE ASYMMETRICAL SETTEE COMPLETE ITEM EXCLUSIF 2

Designer

Didier Gomez

Technical characteristics

The model Exclusif is now complemented by a new version on legs, named Exclusif-2. These new 13 cm high legs, in a black chromed finish, do not affect the overall dimensions of each item. Exclusif-2, with an 'international' 248 cm wide large settee resting on a brilliant-chromed or black-chromed base, brings to the collection an almost incomparable level of elegance & refinement. With this type of base, it is recommended to use the square armrests which are lower (also for the medium settee). Thus, the two models are very different & yet complementary in terms of sales.

DIMENSIONS

Height 765 mm | Width 2,460 mm | Depth 1,000 mm | Seat height 410 mm
