

TABLE LAMP DORIC

Designer

Oriol Llahona

Description

The DORIC table lamp follows the tradition of Venetian mouth-blown glass but with a contemporary reinterpretation. Its light source is judiciously inserted into the brushed brass "handle", going through the glass on its upper part. The downlight emitted through the glass creates a beautiful mood light for a bedroom or a small living room. Even if it looks like a portable light, it is not designed to be mobile... Clever, it can also be reversible.... Golden textile electric cable. Black manual switch. 24V 2W LED module, colour temperature 2700K (warm white) 280 lumens. LED is interchangeable (in factory). Total consumption (with power supply) : 3 W.

Technical characteristics
