Designer

Marie C Dorner

Technical characteristics

Hand woven rug in 80 % New Zealand wool / 20% cotton. Please allow for a tolerance of +/- 3% in terms of both length and width. White background. Each strand of wool is wrapped with 3 different colours of cotton thread to create a shaded effect in tones of pink or ochre across the width of the rug. One side of the rug has a 1.5 cm wide plain pink or ochre border and the other side has a 6 cm wide border in 3 different colours of cotton to give a mottled effect. This rug is compatible with underfloor heating. This rug is compatible with underfloor heating.
