

# CIRCO / CIRCA

## Technical characteristics

This dining chair combines elegance, comfort (thanks to the all-enveloping support offered by its curved backrest), availability (since it is held in stock in 7 colours) and a moderate price. As its name suggests, the whole concept of this chair is rooted in softness and roundness: the round legs echo the rounded shape of the back. The integral seat and back, clad in polyurethane foam, presents not a single hard point. **CONSTRUCTION** Structure and base in solid beech. **COMFORT** Integral seat and curved back cushions in anti-combustion polyurethane foam 30 kg/m<sup>3</sup> - 1.7 kPa. **MAKING-UP** Simple stitching. Covers are not removable. For the best upholstered finish, the front face of the backrest of the CIRCO chair has 2 vertical seams. **COVERING MATERIALS:** - Circa : chair held in stock in Alaska 100 % emerised cotton fabric in a choice of 7 colours, or in pigmented corrected grain cowhide in a choice of colours. - Circo : chair upholstered to order.
