Designer

Eric Jourdan

Dimensions

Height 830 mm | Width 585 mm | Depth 625 mm |
Seat height 495 mm | Seats 1 place | Weight 11 kg

Technical characteristics

It was from the 1950s that Eric Jourdan drew his inspiration. Here, just as with his Okura settee, (2015 collection), he works on rewriting a classic model. Eric Jourdan evokes George Nelson and all the American design of the postwar period.

The design of the central base is particularly characteristic of this era.
CONSTRUCTION Structure of chair - seat/back shell in moulded beech multiply. Bridge - back and armrest structure in mechanically-soldered steel clad in injected polyurethane foam. **COMFORT** Polyurethane foam 50 kg/m³ - 3.9 kPa covered in polyester quilting 110 g/m² in
