## Designer

Louise Puertolas

## Dimensions

Height 320 mm | Width 405 mm | Depth 140 mm |  
Weight 1.75 kg

## Description

Table lamp made of 3 pieces of recycled rounded leather (synderme), thickness 4 mm, assembled together by 4 black screwed rivets. The lampshade tilts with a simple manipulation, allowing the light to be directed and its intensity to be adapted. Black round textile electric cable. Black manual switch. 8W E27 spherical LED bulb, 3000 K (warm white), 806 Lumens.

## Technical characteristics

Kufu is an elegant and minimalist table lamp, made from scrap leather. Mood lamp, bedside or desk lamp.... Kufu integrates perfectly into contemporary living, bringing a touch of simplicity and
