

BEDSIDE TABLE DANA

Designer

Soda Designers - Nasrallah&Horner

Technical characteristics

The bedside table is made of a black-stained ash top held and fixed by a black lacquered steel base. The top is supplied fully assembled. The Soda Designers bedside table combines solid wood with metal, a minimalist and clean design.

Due to its simplicity, it has many practical features for storing books, decorative items and other... Dana is functional, unique, and timeless. It is adapted for the Hypna bed but can also complement any decor.

DIMENSIONS

Height 554 mm | Diameter 350 mm | Weight 6.5 kg
